# BIBLE STORY

King Saul did not like David.

King Saul was trying to hurt David.

King Saul and his men were looking for David in the desert.

When King Saul went in a cave, David and his men were there hiding.

But King Saul didn't see David.

David cut off a piece of King Saul's robe.

David chose to show King Saul mercy. David could have hurt Saul, but he didn't.

That is mercy — when you show love, care, and kindness to someone else.

When King Saul heard David say that David had cut his robe but did not hurt him, King Saul cried.

King Saul decided that David did something very kind when David showed him mercy.
